pink trickster

blue trickster

red trickster

green trickster

Welcome to SPACE ISLAND

Katy

Kim

Captain Conrad

President Pop

PROD 1

PROD 2

tiffiff plant

p.22

1 What do you see?

2 Talk about the characters. Then listen and read.

People on Earth are sick.
Everyone has tickilitis.

Oh, no! That is sad news,
Captain Conrad.
Can we help?

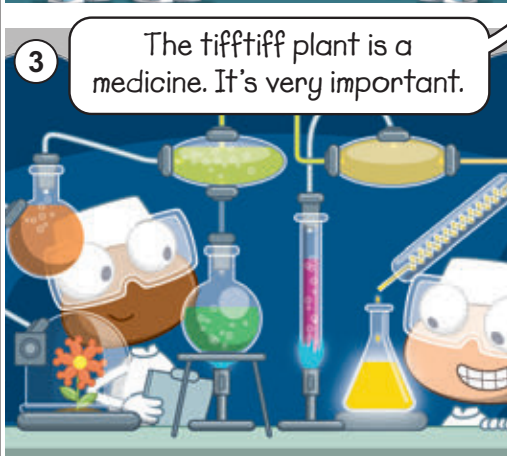

Do you have a tiffiff plant?
The tiffiff plant is the only
medicine for tickilitis.

Yes, we have
tiffiff plants
on Space Island.

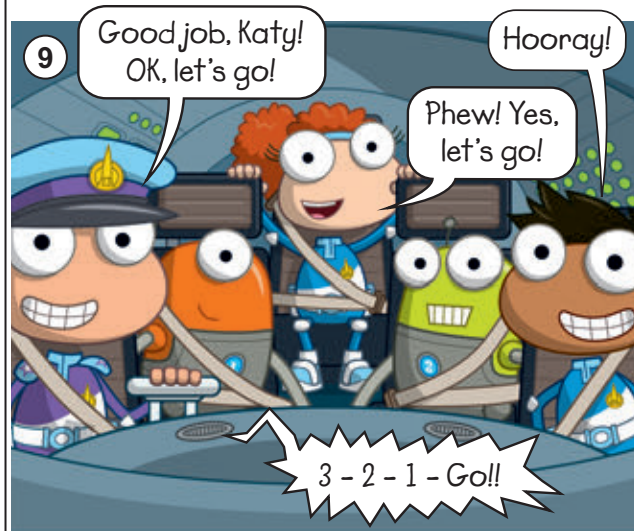

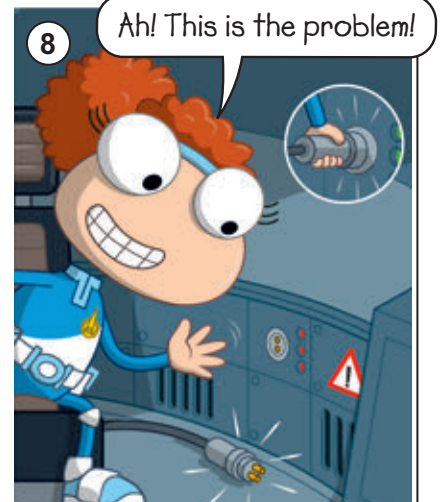

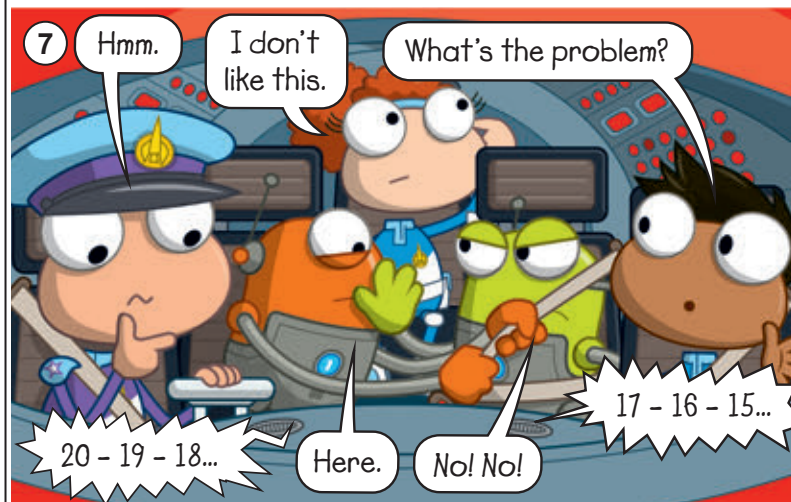

The tiffiff plant is a
medicine. It's very important.

Of course. Please come to
Space Island. We can help
you find a tiffiff plant.

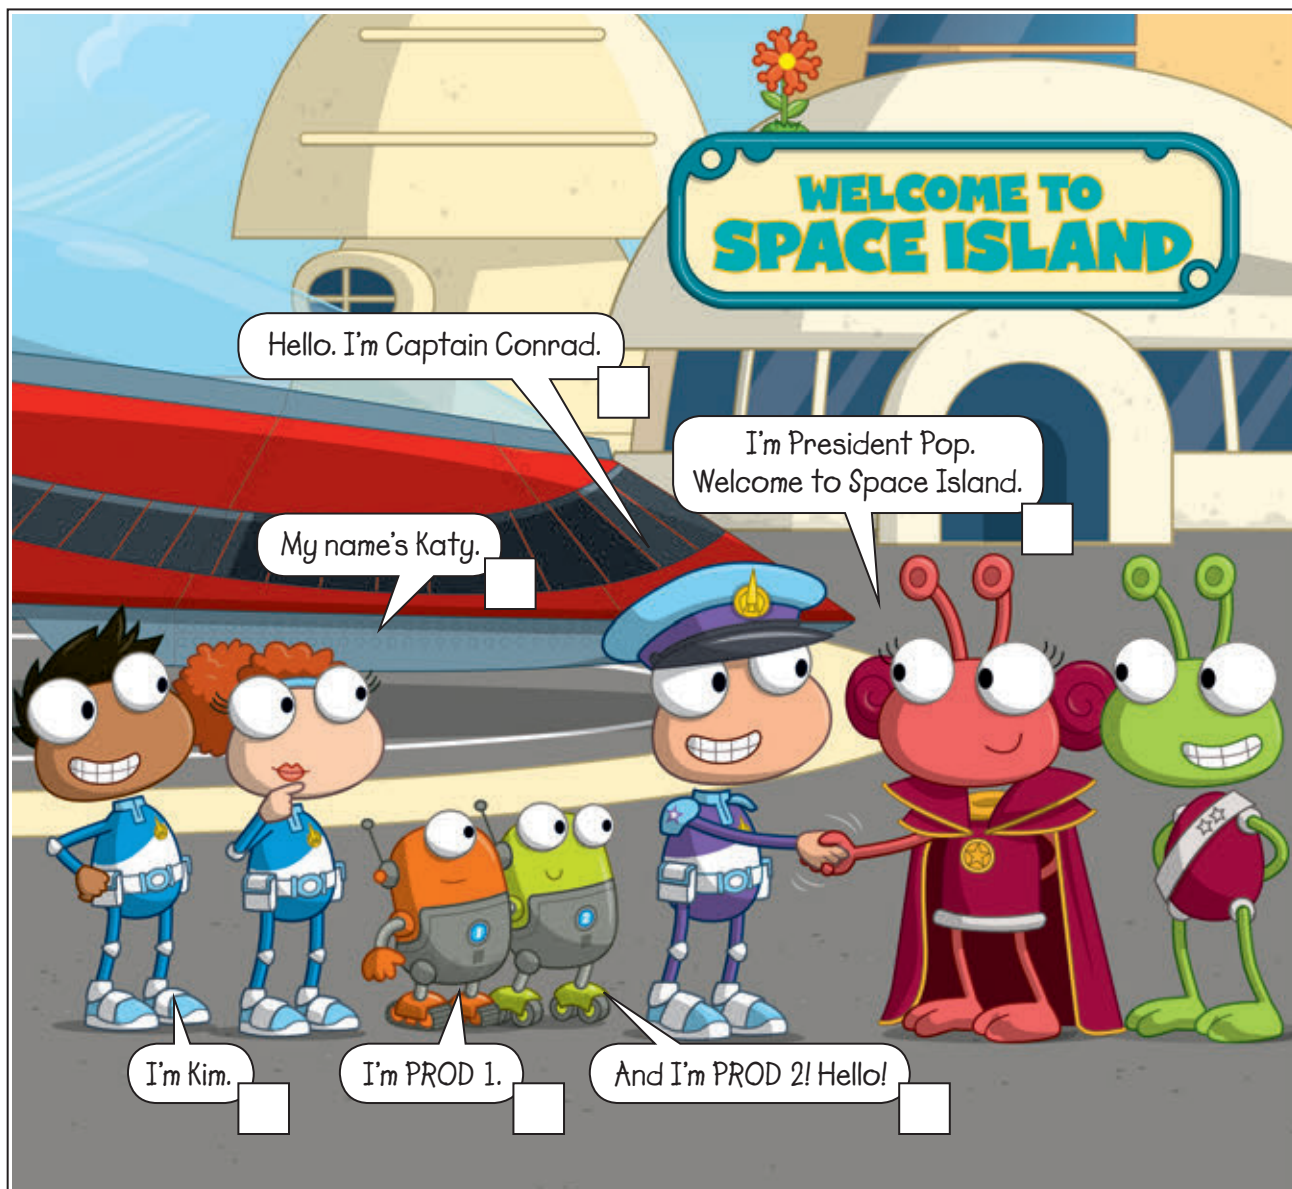

Thank you!

TO BE CONTINUED

3 Listen to the dialogue, check (✓) and say.

4 Listen and sing. Then find the tiffiff plant in the picture.

Hey boys! Hey girls!
Come with us to Space Island.
Look up, down, here, there.
Look around everywhere.
Where's the tiffiff plant?
Come on, come on,
Let's find the tiffiff plant!

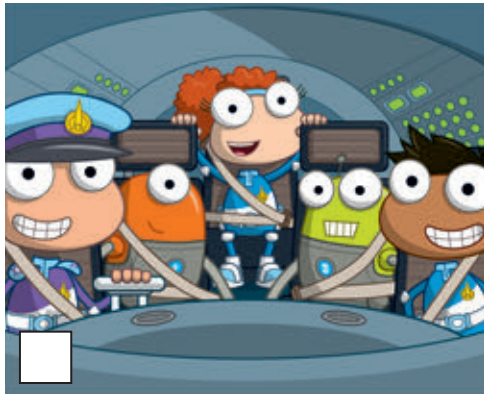

5 Match.

- a) Kim, Katy, PROD 1 and PROD 2
- b) Their mission
- c) Captain Conrad
- d) Tiffiff plants
- e) President Pop

- 1 are found on the island.
- 2 is to find the tiffiff plant.
- 3 welcomes the team.
- 4 is happy to meet President Pop.
- 5 are members of the mission.

6 Look at the comic strip in Activity 2. Number the pictures in order.

Katy

Kim

PROD 1

PROD 2

park keeper

1 Who do you **see**?

2 What do you **know**?

3 Listen, then **find** the vocabulary words in the picture.

sun

birds

animal

pond

rock

mushrooms

insects

4

Listen and read. Underline the vocabulary from Activity 3.

Hello! Welcome to the park. There are a lot of things to see. Look! There's a pond here and there's a big rock.

There are insects!

Ooh, yes.

There are trees.

And there are blue birds. Look!

The flowers are beautiful. Mmm...

Ooh, the sun is hot. I like the park.

5

Unscramble the letters and **write** the vocabulary.

- c) The trickster pushes PROD 2 into the water.
- d) PROD 2 is happy in the water.
- e) They find a tiffiff plant.

Yes	No
	X

We can do it!

Great work, partner!

I CAN DO IT!

18

Draw a nature picture and **write** about it.

In my picture, there is _____.

There are _____.

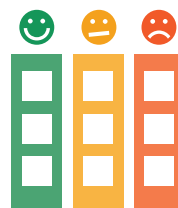

There aren't any _____.

I CAN

I can identify common nature words.

I can ask and answer about how many there are.

I can understand a text about sunflowers.

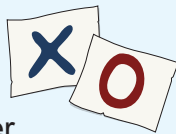

Step 1: Read the instructions.

Number of players: 2

You need:

- 1 game board
- 9 paper tokens per player

How to play:

- Take turns reading the question on a square.
- If you answer correctly, place a token on the square.
- The first player to complete a row wins.

Step 2: Look at the model below.

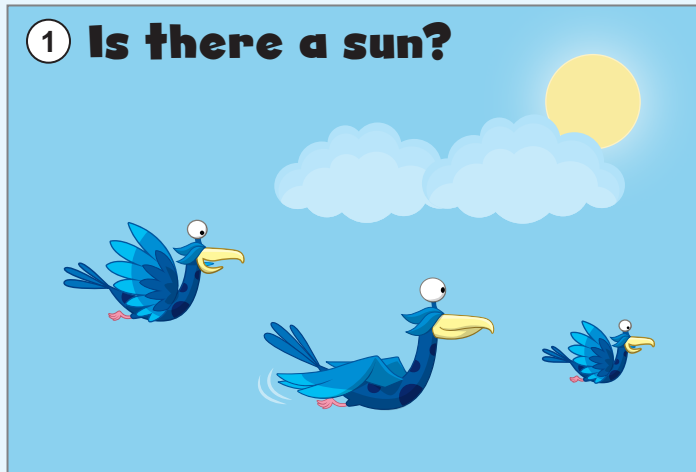

In square 5,
Are there any mushrooms?
Yes, there are.
Your turn!

Thank you!
In square 3, *How many animals are there?*
There's one animal.

1 Is there a sun?

4 Are there five rocks?

7 How many rainbows are there?

Step 3: Play the game.

Nature Tic-Tac-Toe

2 Is there a tiff tiff plant?

3 How many animals are there?

5 Are there any mushrooms?

6 How many tricksters are there?

8 Are there two rocks?

9 Are there two birds?
